

The Faculty of Counseling and Counseling Psychology in the College of Integrative Sciences and Arts on the Tempe Campus at Arizona State University invites applications for graduate research assistants for the 2023-2024 academic year. Applicants will work closely with the CTC Director and other supervising faculty to conduct psychotherapy process and outcome research. Research duties will be performed at the ASU Tempe campus. The research assistant positions are .25 FTE (10 hours/week) for the 2023-2024 academic year. Research assistantships include a tuition remission and a stipend, .25FTE Research Assistants will receive half tuition remission.

ASU's College of Integrative Sciences and Arts values diversity, and continually strives to foster a welcoming and inclusive environment. We are home to innovative teachers who are guided by educational access, student success, applied learning, and interdisciplinary inquiry. CISA has over 8,200 students in all levels of degree programs and nearly 250 full-time faculty members. We understand that there are many paths to achieving a university education, and we build undergraduate and graduate degree programs and pathways that are flexible and relevant for a rapidly changing world.

Arizona State University has been named [# 1 among the nation's most innovative universities](#) by [U.S. News & World Report](#) and a [Top 10 Best Buy public university by Fiske Guide to Colleges 2021](#). ASU is deeply committed to advancing in new and innovative ways while providing and sustaining a welcoming, supportive, and empowering environment for all members of our community. We are especially interested in applicants who can strengthen the diversity of the academic community and who are dedicated to advancing the [ASU Charter](#) and realizing our [Design Aspirations](#) through inclusive and equitable practices.
