The Science and Mathematics faculty in the College of Integrative Sciences and Arts on the Polytechnic Campus at Arizona State University invites applications for a highly motivated, energetic and passionate individual to fill an Assistant Professor position in Chemistry with a principle focus on Physical/Biophysical/Computational Chemistry. The Assistant Professor will be part of an interdisciplinary team that includes faculty and other instructional staff dedicated to quality research and instruction in applied chemistry, biology, and physics. The Assistant Professor is expected to involve undergraduate students in research, provide innovative teaching techniques, and advise students towards careers as Applied Chemists. Teaching load is typically two (2) courses per semester plus an equivalent 20% of workload devoted to service. Course load and composition is determined by the faculty head. This is an academic year appointment with an expected start date of August 2017. The Assistant Professor position is an academic-year, benefits-eligible, faculty appointment with tenure implications. Salary is competitive to commensurate with experience. Candidate must reside in Arizona, or be willing to relocate. Background check required prior to employment. Official transcripts required prior to first day of employment.

**Required Qualifications:**
- An earned Ph.D. in Chemistry or closely related field at the time of appointment
- Strong background in Physical/Biophysical/Computational Chemistry
- Excellent written and verbal communication skills
- Clear potential to secure extramural research funding
- Evidence of excellent teaching ability

**Desired Qualifications:**
- Post-doctoral experience
- A record of publishing in peer-reviewed scientific journals
- Two (2) or more years of teaching experience at the undergraduate level
- Demonstrated success in securing extramural research funding
- Evidence of ability to establish internship relations with industry partners
- Experience in course management systems such as Blackboard

**Application Procedure:**
To apply, visit [https://cisa.asu.edu/jobs](https://cisa.asu.edu/jobs) and upload your application as one combined .pdf document under job number 11772. Only electronic submissions will be reviewed. Incomplete applications will not be considered. Applications must contain:

1. Cover letter of interest
2. Curriculum vitae
3. Statement of teaching philosophy
4. Unofficial graduate transcripts
5. Evidence of teaching effectiveness should include copies of two sets of student evaluations at the postsecondary level
6. Information for three professional references (their position, title, e-mail, phone number)
7. SPEAK test or TSE score of 55 or higher, if applicable

The application deadline is **12/14/2016 at 5pm**; and if not filled, then every Friday thereafter until the search is closed. For technical assistance with your application contact cisajobs@asu.edu, for position-related questions contact Search Committee Chair Dr. Xihong Peng at Xihong.Peng@asu.edu

General Information: Arizona State University is a comprehensive public research university recently named #1 in the United States for innovation, followed by #2 Stanford and #3 MIT. We measure our success not by whom we exclude, but rather by whom we include and how they succeed; advancing research and discovery of public value; and assuming fundamental responsibility for the economic, social, cultural and overall health of the communities we serve. ASU’s College of Integrative Sciences and Arts is home to innovative teachers who are guided by educational access, student success, applied learning, and interdisciplinary inquiry. We understand there are many paths to achieving a university education, and we build undergraduate and graduate degree programs and pathways that are flexible and relevant for a rapidly changing world.
