General Information:

Arizona State University is a comprehensive public research university recently named #1 in the United States for innovation, followed by #2 Stanford and #3 MIT. We measure our success not by whom we exclude, but rather by whom we include and how they succeed; advancing research and discovery of public value; and assuming fundamental responsibility for the economic, social, cultural and overall health of the communities we serve. The Faculty of Leadership & Interdisciplinary Studies is part of the College of Integrative Sciences and Arts (CISA), home to innovative teachers who are guided by educational access, student success, applied learning, and interdisciplinary inquiry. We understand there are many paths to achieving a university education, and we build undergraduate and graduate degree programs and pathways that are flexible and relevant for a rapidly changing world. The Phoenix metropolitan area offers sunshine year-round, a wide range of cultural activities, hiking, and professional athletic teams in every major sport.
