General Information: Arizona State University is a comprehensive public research university named #1 in the United States for innovation for the fourth consecutive year, ([https://asunow.asu.edu/20180909-asu-news-ranked-most-innovative-US-school-fourth-time](https://asunow.asu.edu/20180909-asu-news-ranked-most-innovative-US-school-fourth-time)) followed by #2 Georgia State and #3 MIT. We measure our success not by whom we exclude, but rather by whom we include and how they succeed; advancing research and discovery of public value; and assuming fundamental responsibility for the economic,
social, cultural and overall health of the communities we serve. ASU’s College of Integrative Sciences and Arts is home to innovative teachers who are guided by educational access, student success, applied learning, and interdisciplinary inquiry. CISA has over 7,300 students in all levels of degree programs and over 200 faculty members. We understand there are many paths to achieving a university education, and we build undergraduate and graduate degree programs and pathways that are flexible and relevant for a rapidly changing world.
