The Faculty of Sciences and Mathematics in the College of Integrative Sciences and Arts at the Polytechnic campus of Arizona State University invite applications to establish a pool for Science Faculty Associates for the 2019-2020 academic year. The successful candidate(s) will teach undergraduate courses in Biology, Chemistry, Physics and/or related disciplines; prepare class materials, evaluate student work, and hold office hours to assist students. Faculty Associate positions are one semester, non-benefits-eligible, fixed-term appointments with no tenure implications, not to exceed an average of .40 FTE per semester. The number of courses is contingent upon unit needs, funding and sufficient enrollment. Salary is based upon qualifications and assigned teaching load.

**Required Qualifications:**
- Master’s Degree in Biology, Chemistry or Physics, or a related field, at time of appointment
- Excellent English written and spoken communication skills
- Evidence of teaching effectiveness in field or related field

**Desired Qualifications:**
- Terminal Degree in Biology, Chemistry, Physics or related field.
- Prior teaching experience in post-secondary environment
- Experience using course management systems such as Canvas and online homework systems
- Experience working in collaborative environments within and across disciplines
- Demonstrated success meeting the needs of diverse student populations and/or reaching out to diverse communities

**Application Procedure:**
To apply, visit [https://cisa.asu.edu/jobs](https://cisa.asu.edu/jobs) and upload your application as one combined .pdf document under job number 12855. Only electronic submissions will be reviewed. Incomplete applications will not be considered. Applications must contain:

1. A letter of application addressing required and desired qualifications
2. Current curriculum vitae
3. One page statement of teaching philosophy
4. Evidence of teaching effectiveness, e.g. teaching or peer evaluations or mentoring
5. Unofficial graduate transcripts
6. Information for three professional references (their position, title, e-mail, phone number)

The application deadline is **4/30/2019 at 5pm**; and if not filled, then every Friday beginning the week thereafter through August 30, 2019, based on the needs of the academic unit. A background check and official transcripts are required prior to employment. If you have position questions, please contact Dr. Kelly Steele at Kelly.Steele@asu.edu. For technical questions, please email: cisahr@asu.edu.

**Arizona State University is a VEVRAA Federal Contractor and an Equal Opportunity/Affirmative Action Employer. All qualified applicants will be considered without regard to race, color, sex, religion, national origin, disability, protected veteran status, or any other basis protected by law. **General Information:** Arizona State University is a comprehensive public research university named #1 in the United States for innovation for the fourth consecutive year, ([https://asunow.asu.edu/20180909-asu-news-ranked-most-innovative-US-school-fourth-time](https://asunow.asu.edu/20180909-asu-news-ranked-most-innovative-US-school-fourth-time)) followed by #2 Georgia State and #3 MIT. We measure our success not by whom we exclude, but rather by whom we include and how they succeed; advancing research and discovery of public value; and assuming fundamental responsibility for the economic, social, cultural and overall health of the communities we serve. ASU’s College of Integrative Sciences and Arts is home to innovative teachers who are guided by educational access, student success, applied learning, and interdisciplinary inquiry. CISA has over 7,300 students in all levels of degree programs and over 200 faculty members. We understand there are many paths to achieving a university education, and we build undergraduate and graduate degree programs and pathways that are flexible and relevant for a rapidly changing world.
