The Faculty of Counseling and Counseling Psychology in the College of Integrative Sciences and Arts at the Polytechnic campus of Arizona State University invite applications to establish a pool for Faculty Associates for the 2018-2019 academic year. The successful candidate(s) will teach undergraduate courses in counseling and/or general psychology, prepare class materials, evaluate student work, and hold office hours to assist students. Faculty Associate positions are one semester, non-benefits-eligible, fixed-term appointments with no tenure implications, not to exceed .40 FTE. The number of courses is contingent upon unit needs, funding, and sufficient enrollment. Salary is based upon qualifications and assigned teaching load.

Required Qualifications:
- Master’s degree in counseling, counselor education, clinical psychology, or related field at time of appointment
- Evidence of excellent teaching ability
- Excellent English written and spoken communication skills

Desired Qualifications:
- Doctorate in counseling, counseling or clinical psychology, or related field at time of appointment
- Demonstrated success meeting the needs of diverse student populations
- Licensed as a counselor, psychologist, or related helping professional (for counseling major)

Application Procedure:
To apply, visit https://cisa.asu.edu/jobs and upload your application as one combined .pdf document under job number 12332. Only electronic submissions will be reviewed. Incomplete applications will not be considered. Applications must contain:

1. A letter of application addressing required and desired qualifications
2. Current curriculum vitae
3. Evidence of teaching effectiveness
4. Information for three professional references (their position, title, e-mail, phone number)

The application deadline is 04/13/2018 at 5pm; and if not filled, then every Friday beginning the week thereafter through the fiscal year (2019) based on the needs of the academic unit. A background check and official transcripts are required prior to employment. If you have position questions, please contact Dr. Lisa Spanierman at lisa.spanierman@asu.edu. For technical questions, please email: cisahr@asu.edu.

General Information: Arizona State University is a comprehensive public research university named #1 in the United States for innovation for the third consecutive year, (https://asunow.asu.edu/20170911-asu-news-asu-selected-nations-most-innovative-school-third-straight-year) followed by #2 Stanford and #3 MIT. We measure our success not by whom we exclude, but rather by whom we include and how they succeed; advancing research and discovery of public value; and assuming fundamental responsibility for the economic, social, cultural and overall health of the communities we serve. ASU’s College of Integrative Sciences and Arts is home to innovative teachers who are guided by educational access, student success, applied learning, and interdisciplinary inquiry. We understand there are many paths to achieving a university education, and we build undergraduate and graduate degree programs and pathways that are flexible and relevant for a rapidly changing world.
