

The Faculty of Counseling and Counseling Psychology in the College of Integrative Sciences and Arts on the Tempe Campus at Arizona State University invites applications for graduate research assistants for the 2022-2023 academic year. Applicants will work closely with a supervising faculty member to conduct quantitative and/or qualitative research projects. The research assistant positions are .25 FTE (10 hours/week) for the 2022-2023 academic year. Research duties may be performed at the ASU Tempe campus or in the field.

The College of Integrative Sciences and Arts values cultural and intellectual diversity, and continually strives to foster a welcoming and inclusive environment. We are home to innovative teachers who are guided by educational access, student success, applied learning, and interdisciplinary inquiry. CISA has over 7,300 students in all levels of degree programs and over 350 faculty members. We understand that there are many paths to achieving a university education, and we build undergraduate and graduate degree programs and pathways that are flexible and relevant for a rapidly changing world.

Arizona State University has been named [#1 in the United States for innovation](#) and a [Top 10 Best Buy public university by Fiske Guide to Colleges 2021](#). ASU is deeply committed to advancing in new and innovative ways while providing and sustaining a welcoming, supportive, and empowering environment for all members of our community. We are especially interested in applicants who can strengthen the diversity of the academic community and who are dedicated to advancing the [ASU Charter](#) and realizing our [Design Aspirations](#) through inclusive and equitable practices.
