

The Languages and Cultures Program in the College of Integrative Sciences and Arts on the downtown Phoenix Campus at Arizona State University invites applications for a tenure-track Assistant Professor in Communication. The College of Integrative Sciences and Arts (CISA) offers an exciting and innovative interdisciplinary communication degree program. Expectations for this position include: teach a 2/2 load with a significant research agenda; contribute to curriculum development; deliver excellent undergraduate instruction; conduct research publishable in premier academic venues; assist and/or develop grant proposals; and service required appropriate to rank; eligible to apply for graduate faculty status in M.A. and Ph.D. programs at ASU's other campuses. This is an academic-year appointment with an expected start date of August 2018. The Assistant Professor position is a benefits-eligible appointment with tenure implications. Salary is competitive to commensurate with experience.

The major offers three areas of emphasis: Communication and Culture, Law and Community Advocacy, and Communication, Technology & Society. We seek interdisciplinary human science scholars who will take advantage of opportunities to make interdisciplinary connections with ASU faculty in the humanities and social sciences.

**Required Qualifications:**

- Terminal degree in Communication or related area by time of appointment
- Strong background in one or more of the following areas: philosophy of communication with an emphasis in semiotics, phenomenology, cultural embodiment and performance, race and sexuality, critical intercultural communication, or urban culture
- A strong record, or clear potential for a strong record, of scholarly research and publications
- Two (2) years college-level teaching experience appropriate to rank
- Evidence of teaching effectiveness
- Excellent written and spoken communication skills

**Desired Qualifications:**

- Demonstrated commitment to transdisciplinary scholarship and pedagogy, community engagement, place-based inquiry, and/or use-inspired research consistent with the New American University mission
- A record of publishing in peer-reviewed journals
- Record of ability, or potential, to secure external research funding
- Experience teaching in multicultural environments
- Demonstrated success meeting the needs of multicultural student populations and/or working with culturally diverse communities
- Evidence of effectiveness integrating technology and face-to-face pedagogy
- Experience teaching fully on-line courses
