The Social Sciences faculty in the College of Integrative Sciences and Arts (CISA) on the Polytechnic Campus at Arizona State University invites applications for a Lecturer position for the 2018-2019 academic year. We are an interdisciplinary faculty seeking a candidate who has an interdisciplinary approach to teaching. The successful candidate will be the lead instructor for our Women's Studies courses, especially WST 100 and WST 300. The course assignments are both at the graduate/undergraduate levels, and may occur in a variety of modalities (online, in-person, hybrid). The course load is four (4) courses a semester, and the successful candidate will also be expected to participate in service to the institution and profession as appropriate. This is a full-time, benefits-eligible, non-tenure eligible position renewable on an academic year basis contingent upon satisfactory performance, availability of resources, and the needs of the University. Salary is competitive commensurate with experience. Candidate must reside in Arizona, or be willing to relocate. For more information please visit https://cisa.asu.edu/.

Required Qualifications:
- Background in Women’s Studies
- Terminal degree at the time of appointment in any Social Science or related discipline
- Evidence of two years teaching excellence at the post-secondary level
- Excellent written and spoken communication skills
- Demonstrated interest in and knowledge of human diversity and gender issues

Desired Qualifications:
- Two years' experience teaching in Women's Studies
- Expertise in the social issues facing women in STEM disciplines
- Ability to contribute to our Integrative Social Science (ISS) and Science, Technology, and Society (STS) programs at the undergraduate and graduate levels
- Demonstrated success meeting the needs of diverse student populations and/or reaching out to diverse communities
- Demonstrated ability to work collaboratively in a team environment
- Curriculum development expertise
- Experience teaching large courses in various modalities

Application Procedure:
To apply, visit https://cisa.asu.edu/jobs and upload your application as one combined .pdf document under job number 12174. Only electronic submissions will be reviewed. Incomplete applications will not be considered. Applications must contain:
1. A letter of interest outlining qualifications and experience as they relate to the position
2. Curriculum vitae
3. Evidence of teaching effectiveness
4. Statement of Philosophy of Teaching
5. Information for three professional references (their position, title, e-mail, phone number)

The application deadline is 12/08/2017 at 5pm; and if not filled, then every Friday thereafter until the search is closed. Official Transcripts required prior to first day of employment. A background check is required prior to employment. For technical assistance with your application contact cisahr@asu.edu. For position-related questions contact Search Committee Chair, Dr. Michael Gifford at mike.gifford@asu.edu.

Arizona State University is a VEVRAA Federal Contractor and an Equal Opportunity/Affirmative Action Employer. All qualified applicants will be considered without regard to race, color, sex, religion, national origin, disability, protected veteran status, or any other basis protected by law. (See ASU’s complete non-discrimination statement at https://asu.edu/aad/manuals/acd/acd401.html; see ASU’s Title IX policy at https://www.asu.edu/titleIX/)

ASU offers applicants an opportunity to voluntarily self-disclose information for the University affirmative action plan; applicants may complete an EEO survey for the position they are applying for online. Information you will need to complete the survey: Job Number: 12174; Job Title: Lecturer, Women’s Studies. Name: College of Integrative Sciences and Arts

General Information: Arizona State University is a comprehensive public research university https://asunow.asu.edu/20170911-asu-news-asu-selected-nations-most-innovative-school-third-straight-year followed by #2 Stanford and #3 MIT. We measure our success not by whom we exclude, but rather by whom we include and how they succeed; advancing discovery and research of public value; and assuming fundamental responsibility for the economic, social, cultural and overall health of the communities we serve. ASU’s College of
Integrative Sciences and Arts is home to innovative teachers who are guided by educational access, student success, applied learning, and interdisciplinary inquiry. We understand there are many paths to achieving a university education, and we build undergraduate and graduate degree programs and pathways that are flexible and relevant for a rapidly changing world.
