<i>Supply title of additional course below:</i>			
Course title:	3		
CPY792 Research (Master's Thesis Equivalency); attach certifying letter if already completed)			
CPY599 Thesis (Masters in Passing)			

* If a course waiver was obtained, attach a copy of the letter certifying waiver of program requirement. Total hours needed for degree still holds.

**If students are sufficiently advanced in statistics, they may consult with advisor to determine course to replace CE502.

***CPY691: Advanced Aspects of Cognitive and Affective Psychology meets the requirement of the Advanced Integrative Knowledge of Basic Discipline-Specific Content Areas, required by the CoA C-7D, Category 3.

****Please note, although neuropsychology and psychopharmacology can be included in this category, they do not, by themselves, fulfill this category. Students may take a single course (CPY654) to fulfill the requirement or a combination of any two of the three courses listed in this cell. The equivalent psychopharmacology course must be approved by the Academic Unit.

Course and Title	Hours	Semester taken/ planned or waived*	Grade
